

**DR. TAK HATTORI MEMORIAL PACIFIC GROVE
HYPERBARIC CHAMBER
SCHOLARSHIP**

The Pacific Grove Hyperbaric Chamber is proud to announce the 2023 Dr. Tak Hattori Memorial Scholarship. This scholarship honors Dr. Tak Hattori who served as the Medical Director for the Pacific Grove Hyperbaric Chamber for 44 years. Dr. Hattori was one of the driving forces behind the acquisition and installation of the hyperbaric chamber. During his tenure as Medical Director he volunteered thousands of hours, ensuring that the all-volunteer staff had the most current training in hyperbaric medicine and that the absolute best medical care was offered to those suffering from diving related injuries and carbon monoxide poisoning. His influence extended beyond the hyperbaric chamber as he worked closely with local hospitals' emergency departments and physicians educating them in the identification, diagnosis and initial treatment of diving-related and carbon monoxide poisoning medical issues. Dr. Hattori's volunteer service to the Pacific Grove Hyperbaric Chamber was in addition to serving as a radiologist at Community Hospital of Monterey Peninsula. He also volunteered with the Japanese American Citizen League, Monterey Planning Commission and served on the Board of Directors for the Asilomar Conference Center. His service was recognized by the U.S. Coast Guard, the Undersea & Hyperbaric Medical Society, Monterey County, the City of Pacific Grove and the U.S. Congress.

2023 Application Instructions and Requirements

- The applicant must be in their senior year of high school and a resident of Monterey, Santa Cruz or San Benito County.
- The applicant must plan to attend an Accredited Institution of Higher Education.
